Member
& Dues
Information**

Dear Member,

On behalf of the board of the Delnor Men's Foundation I would like to thank you for your commitment to quality healthcare on a local level, a commitment that is made evident in your Men's Foundation membership. Because of our membership we are able to reach out into the community and raise funds to benefit important initiatives such as the LivingWell Cancer Resource Center, an affiliate of Delnor Health System.

This year, those funds have been raised by events such as our Drive for Cancer Wellness (see article below) and our Spring Golf Outing, which welcomed over 60

golfers. We also raise necessary funds through our dues process. This year, for the first time in twenty years, we are raising our dues in order to better serve our membership and further our mission of supporting Delnor and its healthcare services. While it is a small increase, we feel that the additional financial support will help us to do great things. We thank you for standing with us as a member of the Delnor Men's Foundation, and look forward to another great year!

Sincerely,
Douglas McCoy, president
Delnor Men's Foundation

Drive for Cancer Wellness Winner Chooses Cash and Gives it Back

This year, the Delnor Men's Foundation experienced two firsts at the close of their Drive for Cancer Wellness raffle: the grand prize winner chose a \$25,000 cash prize instead of the car, the first year that this option was offered; and

then in an unprecedented move donated that cash prize back to the LivingWell Cancer Resource Center in Geneva, the organization that benefits from the raffle each year.

LivingWell offers a range of free cancer wellness programs, education, support groups and exercise classes to those living with cancer and their families.

"Everyone who took part in this raffle can feel good about the support they have provided to those who are living with a cancer diagnosis," says Joe Faron, chair of the Drive for Cancer Wellness event. "And we are especially thankful to Mr. Mendel for his phenomenal gift."

LivingWell executive director Nancy Vance says that it is gifts like this, both large and small, that enable the center to continue to reach a growing number of local residents living with a cancer diagnosis.

"Support like that which Mr. Mendel and Mendel Plumbing and Heating have shown us, makes it possible to continue to offer our much needed services for free."

"The Delnor-Community Men's Foundation would like to thank everyone who purchased a ticket for the Drive for Cancer Wellness raffle both this year and over the last several years," says Men's Foundation president Doug McCoy. "Because of that generosity, the Men's Foundation can continue to move toward the completion of our \$250,000 pledge to support the LivingWell; due to Mendel Plumbing and Heating we are that much closer."

(Left to right): LivingWell executive director Nancy Vance, grand prize winner Mike Mendel of Mendel Plumbing and Heating, and Delnor Men's Foundation president Doug McCoy, meet in the kitchen at LivingWell. Mendel Plumbing and Heating also donated the plumbing work for the kitchen.
